Bring subtle, natural colour into the home with our handsome hand painted furniture, created in shades inspired by the beautiful Cotswolds.

Individual and providing real choice, the palette of 8 shades ranges from the crisp and contemporary White and Cotton, through to a sophisticated Taupe and then more earthy Ledum and Fawn.

The painting methods used at the home of our brand in Oxfordshire, provide a smooth finish with the occasional idiosyncrasy which is typical of hand finished pieces. The furniture created, with its carefully selected colour and handle choice is then unique to each customer, providing a piece perfect for their home and style.

From the crisp, palest French grey to the dark depths of smouldering charcoal, the selection of elegant, linen based fabrics adds a further element of choice and individually to stool and chair covers in the range
