

Cheltenham Range

Bedroom

Cheltenham is French inspired furniture with a classic, elegant aesthetic. The collection features hand-carved details which provide a gently opulent appearance to any bedroom.

Available in complete white oil or a choice of six hand painted colours, along with four different handle options, Cheltenham offers you the opportunity to personalise your bedroom.

The Cheltenham range boasts a stunning curved bed-frame with a fabric insert.

The way in which Cheltenham is finished provides an appealing, authentic look, as the natural wood grain is visible through the hand applied paint.

- French inspired, hand finished furniture.

- The finishes accentuate the natural beauty of each piece of timber that is used to craft Cheltenham furniture. The variety of knots, textures and shading in the oak offer individuality in every item.

To ensure durability our products are made from a combination of selected solid wood and veneered panels. A characteristic of wood is its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique. Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice.
