

Cheltenham Range

Bedroom

Cheltenham is French inspired furniture with a classic, elegant aesthetic. The collection features hand-carved details which provide a gently opulent appearance to any bedroom.

Available in complete white oil or a choice of six hand painted colours, along with four different handle options, Cheltenham offers you the opportunity to personalise your bedroom.

The Cheltenham range boasts a stunning curved bed-frame with a fabric insert.

The way in which Cheltenham is finished provides an appealing, authentic look, as the natural wood grain is visible through the hand applied paint.
